

WHEN I GROW UP

what do you want to be when you grow up?

Michelle Ward | Creative Career Coach

FOR YOUR CONSIDERATION

There's no gold statue or any weepy dramas here, but hopefully by the end of this exercise you'll be a contender! Nominated in this category are Your Skills, Your Interests, Your Values, & Your Personality Type. Who's going to dominate this category?

The nominees are:

- It's Cool
- Skills to Pay the Bills
- Peanut Butter Jelly Time
- Workin' It Out
- Personality Pie

To determine the winner, look at the careers you created for Peanut Butter Jelly Time & the career options you noted in Personality Pie, & pick your Top 5 - y'know, the ones that you keep coming back to, whether they're in your exercises or not. If there's more than five or less than five, that's cool. Don't neglect any career options that are asking for your consideration. Adam Sandler should get the same opportunity as Tom Hanks, don't ya think?!

On the next page you'll find a chart that you can print as many times as you need, depending on how many career paths you're considering. It's pretty self-explanatory, so turn the page, walk down that red carpet & get ready for the show!
